A stream from the virgin wounds  
Sunken into the moors  
The bones of past ancestors  
Infesting forgotten mass graves

The bloodletting of Christianity  
An ancient whisper from the past  
Buried in the soil like secret folklore  
Eating away on the roots of mankind

Human earthrot  
Earthrot

The martyr's celebration  
The blood sunken deep into the earth  
Futile pipedream  
Twisted beliefs  
Confirming the parasite features of mankind

The bloodletting of Christianity  
An ancient whisper from the past  
Buried in the soil like secret folklore  
Eating away on the roots of mankind

Human earthrot

We are all lying  
We are all dying  
Earthrot  
Apocalyptic nightmare  
Majestic unstoppable conspiracy

The weak reaching for the gun  
Infect the earth once more  
Pulsating against the core  
Nuclear winter in it's wake

Hu-man earth-rot
