I've had one desire since I was born
To see my body ripped and torn
To see my flesh devoured before my eyes
I'm here for you, I volunteer as a human sacrifice

[Chorus]

Carve me up, slice me apart
Suck my guts and lick my heart
Chop me up, I like to be hurt
Drink my marrow and blood for dessert
EATEN...
My one desire, my only wish is to be-
EATEN...
The longer I live the more I'm dying to feel the pain
EATEN...
I would do anything to be-
EATEN...
My one desire, my only wish is to be-
EATEN...

I finally found you, my personal slaughter
As an appetizer, I let you taste my daughter
Call me sick but this is what I need
My only purpose here is for you to feed

[Chorus]

Carve me up, slice me apart
Suck my guts and lick my heart
Chop me up, I like to be hurt
Drink my marrow and blood for dessert
EATEN...
My one desire, my only wish is to be-
EATEN...
The longer I live the more I'm dying to feel the pain
EATEN...
I would do anything to be-
EATEN...
My one desire, my only wish is to be-
EATEN...

Desecrate me
Tear me limb from limb

Eviscerate me
Chew me to death

EATEN...
My one desire, my only wish is to be-
EATEN...
The longer I live the more I'm dying to feel the pain
EATEN...
I would do anything to be-
EATEN...
My one desire, my only wish is to be-
EATEN...
