Strong Obsession burning will suspend!
Obsessed with thoughts of evil he will slay!
Final ???????????? my kill on the way
Will scratch into my mouth a giant grin
Fills me up with pain upon the brim

[chorus]

Vomit of blood, omniuous sign!
Puts my health on a steady decline!
Terrifying scum, bastard of the earth!
Life turns into torture a minute stuck in birth!

Churning blood from every howl!
Calling out the remains of my soul!
Steaming out my eyes
