Intro de la brutale

Refrain A:

Iâ€™m the Assassin - watching you  
Iâ€™m the Assassin - bleeding you  
Iâ€™m the Assassin - rippinâ€™ you  
Iâ€™m the Assassin - killinâ€™ you

Solo

You whistle, while strolling though the park  
You canâ€™t see me - itâ€™s just too dark  
You see a shadow cominâ€™ from behind,  
and turn around.... thereâ€™s nothing to find

Your eyes - reflecting fear  
Your eyes - reflecting the darkness  
Your eyes - reflecting my knife  
Your eyes - reflecting my smile

Refrain B:

Iâ€™m the Assassin - bleeding you  
Iâ€™m the Assassin - rippinâ€™ you  
Iâ€™m the Assassin - rapinâ€™ you  
Iâ€™m the Assassin - killing you
