You look at me like it's my fault to fall out of line
I wasn't blessed with four of a kind
Can't you try to understand what it feels like
To never get to know how it feels right?

It's fuckin' cold inside
Why don't you feel alive?

Am I already dead?
Am I already dead?

Wearing a mask
Covering my mind
Leaving you blind
Too blind to identify me
To hear me, to see
To understand and to feel me

Am I my very own psycholeptic nemesis?
I'm getting sick and tired of this shit
Can you tell me? Am I the only one?
Who can see the dark side of the sun?

Wearing a mask
Covering my mind
Leaving you blind
Too blind to identify me
To hear me, to see
To understand and to feel me

Wake up in a sea of sweat
Take off 'cause it will suck you back
To the dark side of the sun
It ends before it even has begun
Wake up in a sea of sweat
Take off 'cause it will suck you back
To the dark side of the sun
It ends before it even has begun

It's fuckin' cold inside
Why don't you feel alive?

Am I already dead?
Am I already dead?

Wearing a mask
Covering my mind
Leaving you blind
Too blind to identify me
To hear me, to see
To understand and to feel me

Wearing a mask
Covering my mind
Leaving you blind
Too blind to identify me
To hear me, to see
To understand and to feel me
