I don't need a whole lot of money  
But I wouldn't turn a lottery down  
I just need a little green in my pocket  
So I can buy my buddies a round  
All I want is a place to lay my head with the woman I  
love lyin' in my bed  
Kind of understated  
My dreams aren't that complicated,

I wanna be the one  
When all is said and done  
Who lived a good life, loved a good wife, and always  
helped someone in trouble  
On the day they lay me down  
I want everyone to gather 'round  
And say he was a father, brother, neighbour and a  
friend  
He was a good man!

I used to dream of being a rock star  
And seein' the world in style  
Used to dream of havin' a fast car  
And driving that miracle mile  
But I've heard tales those streets aren't paved in gold  
They're full of pot holes and empty souls  
Who never learn?  
Love is something you gotta earn

I wanna be the one  
When all is said and done  
Who lived a good life, loved a good wife, and always  
helped someone in trouble  
On the day they lay me down  
Want everyone to gather ?round  
And say he was a father, brother, neighbour and a  
friend  
He was a good man!

When I'm gone, I wanna leave a legacy  
Of love and laughs and honesty behind me  
Behind me,

I wanna be the one  
When all is said and done  
Who lived a good life, loved a good wife, and always  
helped someone in trouble  
On the day they lay me down  
Want everyone to gather 'round  
And say he was a father, brother, neighbour and a  
friend  
He was a good man,

Yaaaaa,I wanna be a good man, a father, a brother, a  
neighbor, and a friend  
I wanna be a good man!
