We saw the moon in Colorado
We made music in Tennessee
We found the gold of El Dorado
It's so good, making love, you and me
These arms, they will never hold another
These eyes, they are blind to any other
These lips, no other girl will ever kiss
This heart, it will always feel like this

Chorus:

'Cause only God could stop me loving you
Only God could tell me not to
He sent you from Heaven
Just to make my dreams come true
When he opened the door
That you came walking through
Only God could stop me loving you

Now we struck oil in Oklahoma
We won the Oscar in Hollywood
We climbed the canyons of Arizona
And baby, making love never felt so good
These arms, they will never hold another
These lips, no other girl will ever kiss
This heart, it will always feel like this

Chorus:

'Cause only God could stop me loving you
Only God could tell me not to
He sent you from Heaven
Just to make my dreams come true
When he opened the door
That you came walking through
Only God could stop me loving you

There ain't no girl
In the whole wide world
Who could take away my heart
And there ain't no man who could steal your hand
And tear us apart
But there is one God in Heaven above

Who gave me love
Strong enough to calm my heart

Only God could stop me loving you
Only God could tell me not to
Only God could stop me from loving you (Only God)
Only God could tell me not to
Only God could stop me from loving you (Only God)
Only God could tell me not to
