Iâ€™m the bloodclot in your brain
Iâ€™m the bloodshed in your wars
Iâ€™m (all) the evil in your lifes

Refrain:

You made me -
now find a way to destroy me

Iâ€™m the AIDS in your blood
Iâ€™m the opponent of god
Iâ€™m the remorse-killer in your deeds

Refrain:

You made me -
now find a way to destroy me

Iâ€™m the demon - possessing your souls
Iâ€™m the temptation in your mind
Iâ€™m the one - I ainâ€™t kind

Refrain:

You made me -
now find a way to destroy me
