The morning after what have I done?
What did I promise? Did I say love?
I can't believe, it's come to this
All on account of one good night kiss

She must have learned how at the movies
Only fiction could move me like this

She was Cameron Diaz, Julia Roberts
She was Madonna, I wouldn't stop if I could
She was Bridget Bardot, she was Sophia Loren
She was Jean Harlow, it was a Hollywood kiss

Celine was singin' in the background
Ooh, she had the lightin' down just right
She said something like, "Take me, you fool"
And the cameras moved in tight

I had a vision of the future
Our wedding day the preacher says
"Lift the veil and go ahead"

She was Jennifer Lopez, Gyweneth Paltrow
She was little Miss Love Hewitt
I never had a chance
She was Marilyn Monroe wind blowin' in the white dress
She was Mae West, pretty Miss was a Hollywood kiss

She was Marilyn Monroe wind blowin' in the white dress
She was Mae West, it was a Hollywood kiss

Na na na na na na na, na na na na na na na
Na na na na na na , it was a Hollywood kiss
Na na na na na na na, na na na na na na na
Na na na na na na , it was a Hollywood kiss
Kiss, kiss, kiss, kiss
