Come here baby Yeah

I told you when I met you  
I'd do anythang it took to get ya  
But you never thought I'd ever take it this far  
I work two jobs and that's not all  
I've made up my mind  
To dedicate my whole life to your life  
Baby, you're a superstar

CHORUS

It's all about you  
Everything that I do  
It's all about you  
My mission in life  
My purpose on Earth  
To make sure  
You get all the love you deserve  
It's all about you

I buy a dozen roses  
Box of chocolates  
Get you tickets to the opera, Pavorotti  
And the monster truck show  
I'll take you on a Caribbean cruise

Buy you a hundred pairs of new shoes  
Dress you up  
Diamonds, Pearls  
And all that stuff

CHORUS

Do what you gotta do  
Don't worry about me  
As long as I got you  
That's all I need

Ain't no one, no where, no how, no way  
No man going to work harder for you  
Any day, Baby  
Everyday.

## CHORUS

It's all about you
