My path was broad but now it's narrow  
I listen to pastor, not tarot  
Reserve the room for improvement  
Start in the feature self-list  
It's difficult to live like the title  
The ride will get rocky  
That won't stop me  
Straight ahead on foot or jalopy  
Nobody or anything is going to stump progress  
Unless He allows it  
God's the word  
Take notice  
Ask me who wrote this  
I'll say He's ferocious  
Note this  
The closest persons now the furthest  
I guess I do deserve this

[Chorus]

We need to lift up  
Li-, li-, lift up  
C'mon now, li-, li-, lift up  
Everybody! Lift up! Li-, li-, lift up  
Each and every! Lift up! Li-, li-, lift up  
All people! Lift up! Li-, li-, lift up  
The whole world! Lift up! Li-, li-, lift up  
Don't stay down! Lift up! Li-, li-, lift up  
C'mon now, Lift up! Li-, li-, lift up

Let's stay complete before due date  
Just upon sight some think I do skate  
I unplug stereo types  
Hook the phonograph up to one speaker  
\_Mono\_y\_mono\_  
Used to be scandalous with Steve Yano  
Converted, I dwell with God's children  
Besides, Grandma preferred it  
Alerted, I kept my eyes up  
When I drink from the stream, dear  
Know what I mean  
Spankin' clean is how I stay

In Long Beach outside of LA  
I serve a purpose here on earth  
Probably won't see the fullness of my worth  
Depressed thought, aiiyo, where's that yes-guy?  
Yes brah, because they keep passing it to me  
'Cause "no" isn't in my vo-cab-u-lary  
You weep? No, I tried, sorry family

[Chorus]

Bubblematic, I have suds  
I would give them all to you if it help you not to grudge  
Wrong tactic, look at it  
As a bad habit, addict, dash it  
Quick to chalk  
Last to walk  
My claim, your shame  
Just to get those beats out of hock  
The North American continental shock  
Charge of love, lo-, lo-, lo-, lo, love!
