#### Verse 1:

Misery is it's own company uh ha  
I'm not impressed by depressed MCs gettin' money  
All ears on me exception guaranteed  
Top Scotch quality cop on a dime  
It's all on a line corrupt mind urban swine  
Dash after we dine  
And he kick flip and grind  
One of a kind be obedient  
Radiant flow around LMNO conditions met  
I think a helical get frolic without a wallet  
Can't call it  
It's disconnect brah so just stall it  
The patriotial blood he bleed so slow  
Take L from his flow now we have another foe  
Keep lyrics like gamblers with money to blow  
I don't collect dust cause LMNO is always on the go  
With Associates stay up Memo  
Marty you know we shot the party no problemo

#### Hook:

They got all the answers yet they still don't know  
People ask me all the time how to spell LMNO  
Thinkin' all complex when it's quite simple  
I don't get bitter bitter it's all refundable (x2)

#### Verse 2:

Divide water like Jetties  
I said these here without the man  
Proof of prophecies script in sand  
So when the tide comes, foiled plan  
New brand put it in stone it will withstand  
Bix be known bandstand showcase  
Embrace love and hate low rate hello mate  
Bumpin' J-Rocc and tape  
Schedule date is tentative as of late  
Ja Ja create and also devastate  
Grateful misshape right frame of mind  
Keep 'em in orbit and keep out of any bind  
I'm raining on the tennis match bust their parade  
Construction goes on look at what man made

Expert mediocre thought provoker  
Gave a donation from my loafer  
Hip hop's underground I'm a surface  
Gopher forever lit while physically sober  
I cross over flood controls set goals  
On the account of ajusted souls
