

## Emerson Drive "Sleep It Off"

Visit "[Sleep It Off](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I've got one of those feelings.  
This could be one of those weekends.  
Don't need no better reason to let it all out.  
Let it all out  
Just keep the cold drinks coming  
I think we're on to something  
We could stay right here and just do nothing  
Til the sun goes down  
So just let the good times keep on rollin'  
Open up the cooler I'll do the pourin'  
Baby cuz this night is  
Just getting going  
There's no need to worry 'bout the morning  
Cuz we'll just sleep it off  
We'll just sleep it off  
We got people dancing up on the counters  
Crank the speakers turn em up a little louder  
Cuz we're gonna keep this place rockin' for hours  
Having a good time  
Yeah that's right

Open up the cooler I'll do the pourin'  
Baby cuz this night is  
Just getting going  
There's no need to worry 'bout the morning  
No I don't want to see this night end  
But tomorrow we can do it all over again  
We'll just let the good times  
Keep on rollin'  
Open up the cooler I'll do the pourin'  
Baby cuz We'll just let the good times  
Keep on rollin'  
Open up the cooler I'll do the pourin'  
this night is  
Just getting going  
There's no need to worry 'bout the morning  
Cuz we'll just sleep it off
