

Emerson Drive "What If"

Visit "[What If](#)" on MotoLyrics.com

Boxed in, feel small
Four walls closin' in just like clockwork
Ahh, ahh
On a line too long
Hung out drier than the desert sand
And it just don't feel like

The stars are lined
The world is mine, the time is right
But what if? Yeah, what if?

This is that one day
The one that you always say
If it ever came along
You'd never let it get away
Just like a last dance
There's never a second chance
To hold on, so hold on
What if this is that one day?

It's so hard to see your dreams
You're buildin' crashing down
Fast just like dominoes, ahh, ahh
You can't hide on rooftops from raindrops
So spread your wings and soak it up
Before it gets too late and

It's easier to quit the game
And hide your pain
But what if? Yeah, what if?

This is that one day
The one that you always say
If it ever came along
You'd never let it get away
Just like a last dance
There's never a second chance
To hold on, so hold on
What if this is that one day?

Oh you never know, oh you never know
Oh you never really know

What if? Yeah, what if?

This is that one day
The one that you always say
If it ever came along
You'd never let it get away
Just like a last dance
There's never a second chance
To hold on, so hold on
What if this is that one day?
