Just one chance  
to love you again  
and hold nothing back

Just one time  
to say all the words  
i've kept inside

Oh, to see you  
smiling, while we're,  
dancing,  
look into your eyes

(Chorus)  
I'd give anything, anything  
to kiss your face.  
And I'd trade all my forever  
for one more day  
With you (x2)

Change rolls in  
like clouds overhead  
where the sun had been.  
The reasons why  
can never be simple as  
black and white

Oh, but every moment,  
took for granted,  
never leaves my mind

And I'd give anything, anything  
to kiss your face.  
And I'd trade all my forever  
for one more day  
With you...

Living, breathing, laughing,  
feeling; you here by my side

I'd give anything, anything

to kiss your face.  
And I'd trade all my forevers  
for one more day  
With you (x2)
