Maybe I'm the joker  
Maybe I'm the fool in your eyes  
Maybe I'm the weak one  
Maybe I'm a lie in disguise  
Maybe I'm angry  
Cause I'm the one whos always wrong  
Maybe I'm not the one whos so strong  
But did ya think about it  
Did ya pull it in and pull out  
Could you live without me  
Did you ever really have a doubt  
But do you understand it baby  
When you say it's over it's done  
Maybe I'm not the one

So If you're gonna Leave  
Ya you better get going  
Cause I ain't wasting no more time  
What ya did and what ya didn't  
So if you're gonna leave  
Ya you better start running  
Cause I ain't wasting no more time  
What it might have been

We can stand on reason  
We can fight about all the things  
This isn't for forever  
This is more than a wedding ring

But do you understand it baby  
When you say it's over it's done  
Maybe I'm not the one

So If you're gonna Leave  
Ya you better get going  
Cause I ain't wasting no more time  
What I did and what I didn't  
So if you're gonna leave  
Ya you better start running  
Cause I ain't wasting no more time

Whoa did it happen again

The things that you wanted  
For being a friend  
How did it happen again  
Just look onward baby  
Cause some day you might need a friend

So If you're gonna Leave  
Ya you better get going  
Cause I ain't wasting no more time  
What We did and what we didn't  
So if you're gonna leave  
Ya you better start running  
Cause I ain't wasting no more time  
I ain't wasting no more time  
What it might have been
