People are stirred  
Moved by the Word  
Kneel at the shrine  
Deceived by the wine

How was the earth conceived?  
Infinite Space  
Is there such a place?  
You must believe in the human race

Do you believe  
God makes you breathe?  
Why did he lose  
Six million Jews?

Touched by the wings  
This angel brings  
Sad winter storm  
Grey autumn dawn

Who looks on life itself?  
Who lights your way?  
Only you can say  
How can you just obey?

Don't need the word  
Now that you've heard  
Don't be afraid  
Man is man-made

And when the hour comes  
Don't turn away  
Face the light of day  
And do it your way

It's the only way
