Bitches crystal  
Knows how you  
Twist all the lines

Fortune teller  
Future seller  
Of time

Tortured spirits cry  
Fear is in their eyes  
Ghostly images die

Witches potion  
Mixed in the ocean  
Of tears

Mystical powers  
Emerge from the towers  
Of fear

Tortured spirits cry  
Fear is in their eyes  
Ghostly images die

Evil learning  
People burning  
Savage casting  
No one lasting

Witchcraft  
Sadness  
Madness  
Turning in their minds

Ritual killings  
That swear in  
The shillings to be

Heretic priestess  
Dwells on the  
Weakness she sees  
Tortured spirits cry

Fear is in their eyeblack moon
