Man in the street nowhere to sleep  
No time for nothing no patek phillipe  
Pedal to the metal blow by blow  
You're runnin' with the devil it's touch and go  
They're leaving you nothing and nowhere to go  
Just put you in the corner like an old banjo  
The strings are breakin' but you can't say no  
You're runnin' with the devil it's touch and go  
Systematic one man show  
You're caught up in the middle where the four winds  
blow  
No salvation 20 below  
You're runnin' with the devil it's touch and go  
All systems go friend or foe  
It's all dependin' on the dice you throw

Come without a warning like a u.f.o.  
You're runnin' with the devil it's touch and go  
You see this woman on a t.v. show  
She's drippin' in diamonds from head to toe  
They make you believe it's the status quo  
You're runnin' with the devil it's touch and go  
All systems go friend or foe  
It's all dependin' on the dice you throw  
Come without a warning like a u.f.o.  
You're runnin' with the devil it's touch and go
