I'm the guy that dies in the beginning of the movie  
I'm the one who never makes it out of the cave  
its because just when i have got everything going for  
me  
baby you come around and take it all away

its true, I'd do anything for you (woah woah woah  
woah)  
she asks if this is cool, (what did I say?)  
I played it like a fool (oh no)  
its like I said before I could die tonight with just one  
kiss more

at the brink, about to sink, I'm droning baby  
and I can't think of a way to pull myself back to shore  
its your face I can't take and my knees are about to  
buckle  
the same way as they did the night you walked through  
my door

its true, I'd do anything for you (woah woah woah  
woah)  
she asks if this is cool (what did I say?)  
I played it like a fool (oh no)  
its like I said before I could die tonight with just one  
kiss more

every time my eyes are closing, well its just one word  
once its spoken my eyes open and I'm yours so soon  
when the world tries to blow itself up from the inside  
I will dig a fox hole for two  
so you know that I will always be there for you  
and maybe you can find a love for me too

its true, I'd do anything for you (woah woah woah  
woah)  
she asks if this is cool (what did I say?)  
I played it like a fool (oh no)  
its like I said before I could die tonight with just one  
kiss more, one kiss more  
oh my darling, my love, just one, just one, just one
