Take, a lonely heart before it breaks  
And put it in your little box of unwashed hands and  
mistakes  
Words, so necessary, but absurd  
To tell you that I want to be with you tonight so bad it  
hurts

Whoa! Whoa!  
This could be perfect but you won't let it play out  
Whoa! Whoa!  
And you just sit there with your folded arms in  
Whoa! Whoa!  
Forget about the past, it's gone

Wake, wake up while it's still yours to take  
Before I get a better offer from someone who will stay  
I, I don't believe in wasting time  
And just before you know its gone, its gone for good,  
so don't cry

And it feels that today is like every other day  
But I will forget about myself  
Put this book back on the shelf, tonight

Whoa! Whoa!  
This could be perfect but you won't let it play out  
Whoa! Whoa!  
And you just sit there with your folded arms in  
Whoa! Whoa!  
Forget about the past, it's gone

Whoa! Whoa!  
This could be perfect but you won't let it play out  
Whoa! Whoa!  
And you just sit there with your folded arms in  
Whoa! Whoa!  
Forget about the past, it's gone

And you say that you've changed  
But you're basically the same  
But I, I can say that I tried

And move on with my life

So you can calm your worried mind

Cause when I leave I wont be coming back  
this time

No, not this time.
