Lust is the constant undercurrent of life  
Transmutations float in haunting gracefulness

You stand, you laugh, you don't understand  
I am not the mouth for your ears

The experience of exposing oneself to this  
Veritable euphoria and ethereal dimensions  
Stimulates a greater sense of the magnificence  
To enact the tantric deeds portrayed therein

Follow your pleasure to the fullest extent  
Injected with the artistry and ecstasy of the heretic

Golden living dreams of visions, mystic crystal  
revelations  
And the mind's true liberation  
Dawning of the new... dawning of the new age!
