Power to will
Will to power - the power of will

The one who seeks to break through the "conscious programming"
In order to reconnect with the secret self becomes aware of it's own true...

Will to power - the power of will

Equilibrium is the basis of the union of the self with the all
Culminating in the enlightened apprehension of one's true...

Will to power - the power of will

Love is the law, love under will
I am thee enemy
For I am; the crowned and the conquering child

I slept with faith and found in my arms a corpse on awakening
I drank and danced all night with doubt
And found her a virgin in the morning

Will to power - the power of will
