"Prayer"

Endless is the road I walk merciless is time
Frustrations black and white contentment less defined
Bravery through confidence humility with pride
I can face tomorrow if supplied
This course was set at your decree
Surely you must have a plan for me
This prayer I give to you tonight
Lead and direct me with your guiding light
Instill me with the power to smile
Even as I push myself to walk the extra mile
Fuel me with desire like phoenix to rise from a fire
I offer up but what I am another lost and lonely lamb
