This is the way the world ends  
This is the way the world ends  
This is the way the world ends  
Not with a band

You come, you go  
I see you, it snows  
I see you, it's fine  
Let it happen slowly

You come and you go  
You've got a life, and that's fine  
But you're here, and you're mine  
I haven't seen you in a long time

You come, you go  
I see you, it snows  
I see you, it's fine  
Let it happen slowly

And you come and you go  
You've got a life, and that's fine  
But you're here, and you're mine  
I haven't seen you in a long time

Gonna make it, gonna do it  
Now it's dark, now it's time  
Gonna make it, gonna do it  
Through the darkness you're mine

You come and you go  
I see you, it snows  
I see you, it's fine  
Let it happen slowly

And you come and you go  
You've got a life, and that's fine

But you're here, and you're mine  
I haven't seen you in a long time

Gonna make it, gonna do it

Now it's dark, now it's time  
Gonna make it, gonna do it  
Through the darkness you're mine

You come and you go  
I see you, it snows  
I see you, it's fine  
Let it happen slowly

And you come and you go  
You've got a life, and that's fine  
'Cause you're here, and you're mine  
I haven't seen you in a long time

The way it's going to happen  
It's the way it's going to go  
It's the only way to do it  
It's the only way I know

The way it's going to happen  
It's the way it's going to go  
It's the only way to do it  
It's the only way I know

The way it's going to happen  
It's the way it's going to go  
It's the only way to do it  
It's the only way I know

The way it's going to happen  
It's the way it's going to go  
It's the only way to do it  
It's the only way I know
