Down in Enfield Town trying to get that sound
Now we've got our feet off the ground
We've got no time we haven't got a dime
Boy you gotta walk on the line
Playing guitars in a Rock'n'Roll band
Got no money in my pocket
And I can't pay the rent
Writing songs all day long
Well you know it's not easy
We found the man who signs the bands
"Sorry guys I'm too busy"
I wanna play in a Rock'n'Roll band
Got no contract in my pocket
Got no money to spend
My baby told me that I'm just a clown
Sooner or later I'm gonna shoot her down
The lady told me I've got to pay the rent
Sooner or later we're gonna rob a bank
At the Police Station "identification"
I was trying to run away
Running down the lane, hiding in the rain
Got to catch a cab and get away
I wanna play in a Rock'n'Roll band
I'm not guilty baby they just don't understand
Now I'll tell you what I'm going to do
Gonna sell my guitar and I'm gonna play the
Kazoo
