You're  
So pure  
So sure again

Whatever you do  
We will laugh again

I'm (I'm)  
Like you (Like you)  
I [fall ?] again (I [fall ?] again)

Whenever I fell  
I got up again (I got up again)

Babe  
You don't have to be afraid  
In my eyes  
Babe  
Don't be ashamed

Find  
Your way  
And lose again

Wherever you are  
You can choose again

Your heart  
Will break  
And heal again  
And one day will come  
When you believe again

Babe  
You don't have to be afraid  
In my eyes  
Babe  
Don't be ashamed

Babe  
You don't have to be afraid  
In my eyes

Babe  
I'm so glad that you've [stayed ?]

Babe  
You don't have to be afraid  
In my eyes  
Babe  
Don't be ashamed

Babe  
You don't have to be afraid  
In my eyes

And I'm so glad that you've [stayed ?]
