Relive me  
The weight is glued  
Deceive me  
Forget about the truth  
Don't read me  
I'm so transparent  
Don't feed me now

Face down  
To guilty to be happy  
Right inside  
To guilty to be happy  
Face Down  
To guilty to be happy  
Right inside  
To guilty to be happy

I lust for  
Thrill and danger  
Don't trust me  
I've said it all before  
Belive me  
I want forgiveness  
You see me  
Stripped and naked  
I live for  
A taste of violence  
I'm dying  
To get another breath

Face down  
To guilty to be happy  
Right inside  
To guilty to be happy  
Face Down  
To guilty to be happy  
Right inside  
To guilty to be happy

Face down  
To guilty to be happy

Right inside  
To guilty to be happy  
Face Down  
To guilty to be happy  
Right inside  
To guilty to be happy (happy)
