Feels like talking to a wall that's rising out of control
Like the fish's mind growing numb from circling the
bowl
Come on now gimme a reason that makes me wanna
move on
That makes me wanna fight again
Just tell it like it is

Gimme a signal show me a sign I've been waiting
patiently
I'm running dry still I bleed an everflowing stream

It's like losing all you unconditionally love
It's not the puzzle that's to blame when the pieces won't
fall into place
Come on now gimme a reason that makes me wanna
move on
That makes me wanna fight again
Just tell it like it is
Come

Gimme a signal show me a sign I've been waiting
patiently
I'm running dry still I bleed an everflowing stream

I can't take it anymore
There's fire in the hole
Get down

Gimme a signal show me a sign I've been waiting
patiently
I'm running dry still I bleed an everflowing stream

Gimme a signal show me a sign I've been waiting
patiently
I'm running dry still I bleed an everflowing stream

Just tell it like it is
Come on
Tell it like it is
I would kill for it
