You'll wake up drowning in a sea of red
a horse's head next to you in bed
You'll wake up drowning in a sea of red
a horse's head next to you in bed
you can run you can hide
no you can't get away
you can run you can hide
no you can't get away
you can run you can hide
no you can't get away
you can run you can hide
no you can't get
can't get away
no escape
I will hunt you down

Like super glue in your eyedrops
a cigarette stub in your favorite drink
the knife behind the glory hole
my true intent is your delight

You're gonna squeal like a pig when I come to your
home
like Charlie's disciples I creepily crawl
you can run you can hide

Can't you see I'm the devil
Can't you see I'm the devil
Can't you see I'm the devil

I'm here to do the devil's business
