Baby, Baby, Baby  
The day has begun  
Butterflies are flying  
And birds are singing  
Can you feel the rhythm  
The rhythm of the world  
It's out there waiting  
Waiting for you and me

Chorus:  
It is a good sign  
Yes, it is a good sign  
This feeling came so suddenly  
I don't know if it's right for me  
But it is a good sign  
Yes, it is a good sign  
You're my king and I'm your queen  
And everything will be so right

Baby, baby, baby  
The sky is so blue  
The tiny cloud is smiling  
And the sun is for you  
We'll make our own music  
And let the wind cool us  
Honey, don't you know  
That this is real life

Chorus

Bridge:  
Let the phone ring  
Let the neighbors fight  
Let the ice melt  
Let the bugs bite  
Let the bus leave  
Leave the radio on

Let the phone ring  
Let the neighbors fight  
Let the ice melt  
Let the bugs bite  
Let the music play

Leave the radio on  
?Cause you know  
This day is for me

Chorus
