Heaven

Oh, thinkin'about all our younger years,
There was only you and me.
We were young and wild and free,
Now nothin'can't take you away from me.
We've been down that road before,
But that's over now,
You keep me comin'back for more.

Baby, you're all that I want,
When you're lying here in my arms,
I'm findin'it's hard to believe,
We're in heaven and love is all that I need.
And I found it there in your heart,
It isn't hard to see,
We're in heaven.

Oh, once in your life you found someone

Who will turn your world around,
Bring you up when you're feeling down.
Yeah, nothin'could change what you mean to be.
Oh, there's lots that I could say,
But just hold me now,
'Cause our love will light the way.

Chorus

I've been waiting for so long for something to arrive,
For love to come along.
Now our dreams are comin'true.
Through the good times and the bad,
Yeah, I'll be standin'there by you.

Chorus
