I know, You know  
You said your sorry  
I do, You don't  
Want to be together  
I said, You heard  
I thought you loved me  
But I guess not

I thought that  
We would be together  
For longer than 5 days  
I now know everything you say  
Is all a lie  
Cuz you didn't really  
Like me

I think, I thought  
We were perfect  
You said, You taught  
That was stupid  
I wished, I dreamed  
About you every night  
Why were you always on my mind?

I thought that  
We would be together  
For longer than 5 days  
I now know everything you say  
Is all a lie  
Cuz you didn't really  
Like me

I think, I thought  
We were perfect  
You said, You taught  
That was stupid  
I felt, Your heart  
Believing in me  
I said, You heard  
I thought you loved me
