Follow me into hades where the shades of
Heroes wander despondently
Among spirits of lesser souls

In your dull eyes all your lies unite
All your tears ally
For absolution

Pledge allegiance to the damned
When you meet the unseen one
May he grant all access
To the isle of the blessed

In the harbour of death
Shiploads of broken souls are waiting for salvation
Salvation in everlasting bliss

In your dull eyes all your lies unite
All your tears ally
For absolution

Pledge allegiance to the damned
When you meet the unseen one
May he grant all access
To the isle of the blessed

Pledge allegiance to the damned
When you meet the unseen one
May he grant all access
To the isle of the blessed

Pledge allegiance to the damned
When you meet the unseen one
May he grant all access
To the isle of the blessed

Pledge allegiance to the damned
When you meet the unseen one
May he grant all access
To the isle of the blessed
