I always wished for a fairytale  
A perfect once upon a time  
A white horse and castle  
Someone to call only mine  
I didn't think this was how the story goes  
There's just somethings no one knows

Romeo, Romeo where can you be  
I'm longing for your love  
For my prince charming  
Romeo, Romeo let's run away  
Ride into the night  
To a place far, far away

Our parents can't except  
The feelings aren't enough  
We come from different lives  
But still we fell in love  
Somehow none of this seems true  
I can't ever stop thinking of you

Romeo, Romeo where can you be  
I'm longing for your love  
For my prince charming  
Romeo, Romeo let's run away  
Ride into the night  
To a place far, far away  
Romeo, Romeo I really love you so  
Romeo, Romeo... Oh Romeo

As beautiful as a midsummer's day  
As magical as the month of may  
Loving you is all I could ever need  
Did you know, you're everything to me

Romeo, Romeo where can you be  
I'm longing for your love  
For my prince charming  
Romeo, Romeo let's run away  
Ride into the night  
To a place far, far away

Romeo, Romeo why can't love  
Be the reason we're together  
Why isn't it enough?  
Romeo, Romeo I really love you so  
Romeo, Romeo... Oh Romeo
