I can't remember when we use to share the same bed  
You have your arms surround me  
When I was afraid  
No one else could make me feel the way  
Like you did  
Deep inside my lonely heart  
I long for you  
To take me home  
Where we belong together  
Why do you make me feel  
Like I'm not here  
\*Chorus  
Tell me why  
Have I done something wrong  
Tell me why  
What we had, was so strong  
There's no one like you  
So, what can I do  
I need to know  
Tell me why  
Baby, do you really feel the same (ah)  
I keep asking myself  
Am I too late  
How can something that seemed so right  
Turn out wrong  
Baby  
Deep inside my lonely heart  
I long for you  
To take me home  
Where we belong  
Together  
Why do you make me feel  
Like I'm not here  
\*Chorus  
If you could only see  
What you have done for me  
Wish I could turn back time  
Can't get you off my mind  
Ouhhhh yeah  
\*Chorus (2x)
