Well Michael
You are the best guy in my eyes
Those other girls are all lies
Well Michael
Maybe I'm not the prettiest one
But I know ur not a prize to be won
Well Michael
I can't stop your feelings
But I can hope they are for me

You're never gonna meet another girl
Who will want you as bad as I do
You're never gonna meet another girl
Who will sit just think about things u do
And most of all
You're never gonna meet another girl
Who can write 58 songs for you

Well Michael
You are so beautiful
And so charmful
Well Michael
Maybe I'm not like them at all
But I atleast know ur favorite game is baseball
Well Michael
I can't promise you the world
But there's no chance that I am worried

You're never gonna meet another girl
Who will want you as bad as I do
You're never gonna meet another girl
Who will sit just think about things u do
And most of all
You're never gonna meet another girl
Who can write 58 songs for you

Well Michael
I wanna tell you everything I feel
But how long wuld it take me to heal
Well Michael
I really think I love you

But do you really love me too?
Well Michael
Every time I say your name
I takes my breath away

You're never gonna meet another girl
Who will want you as bad as I do
You're never gonna meet another girl
Who will sit just think about things u do
And most of all
You're never gonna meet another girl
Who can write 58 songs for you

And most of all
You're never gonna meet another girl
Who can write 59 songs for you
