Stop by my locker every morning  
Just to say "hello"  
At my house with no waring  
Just to give me a rose  
Charming and sweet  
I feel so complete  
When ever I'm near you

I miss not ever having a care  
Never used your name as a swear  
What happened to us?  
Late night truck rides  
Never letting go and saying goodbye  
What happened to forever?

On our first date when it rained  
You took me outside  
And you never complained  
As we danced in the moonlight  
Handsome and funny  
Oh snow or sunny  
Always made my day

I miss not ever having a care  
Never used your name as a swear  
What happened to us?  
Late night truck rides  
Never letting go and saying goodbye  
What happened to forever?

I cried every night  
I miss all those fights  
You'd stay at my door  
That never happens anymore  
And I miss every part

I miss not ever having a care  
Never used your name as a swear  
What happened to us?  
Late night truck rides  
Never letting go and saying goodbye

What happened to forever?

What happened to forever?
