Rough like a dirt road
But smooth like a clear sky
Soft at the touch
But sharp like a razor blade
What a shame to know he took my heart
And how I can't let him go
What a shame to know I'm not his only one
And how I didn't even know

Don't try to look into my eyes
Because all I see is lies
Don't try to say you love me
I was blind but now I see
I was part of your game
Oh what a shame, what a shame

Sweet like a spring day
But sour like a baby's cry
Calm like the ocean
But harsh like a violent fight
What a shame to think I believed him
And how I still cry at night
What a shame to think I could stay
And he thinks everything is alright

Don't try to look into my eyes
Because all I see is lies
Don't try to say you love me
I was blind but now I see
Did you even know my name?
Oh what a shame, what a shame

If love was supposed to be true
Then why did the lord let me have you?
I never felt like this before
I wasn't enough, he needed more
What a shame, oh what a shame

Don't try to look into my eyes
Because all I see is lies
Don't try to call my name
I wish the beginning never came

What a shame...
You're a shame
