Daddy, daddy
Your little girl is really growing up now
And you will see
That my life will be so fine

And I'm gonna need you even more now
It's hard to be a woman sometimes
Daddy, daddy
Needing you is natural

And when you're down and low
Then I will be there
'Cause you can trust in me
I'll be there for you

I'll always be my daddy's girl
'Cause that is the way it was meant to be
I'll always be my daddy's girl
'Cause that is the way it was meant to be

Daddy, daddy
You've been calling me too many times now
Why can't you see
That I have my own life?

But I still love you even stronger
Only if it is in another way
Daddy, daddy
Needing you is natural

And when you're down and low
Then I will be there
'Cause you can trust in me
I'll be there for you

I'll always be my daddy's girl
'Cause that is the way it was meant to be
I'll always be my daddy's girl
'Cause that is the way it was meant to be

And I'll always be my daddy's girl
'Cause that is the way it was meant to be

And I'll always be my daddy's girl
'Cause that's the way, and that's the way it was meant
to be

Ooh, ooh, yes, naa
(Daddy's girl)
'Cause that is also natural
Ooh, ooh, yes, ooh, ooh, my
(Daddy's girl)
That is what I'll always be
Oh, my daddy's girl
