If I could, I find a cure to help me get over you
And if it would, I take a pill to replace you for good
Yeah it's insane, to say I think of you again
I can't let it go, if only I could put my feelings on hold

Suffering from you and now I gotta find a way to get
through
'Cause it doesn't get better no
I try to tell myself there's nothing to do, oh no,
I'm suffering from you
You know I try to make you miserable to,
But it doesn't get better no
It doesn't get better no
It doesn't get betteeeeer, oha ohaaa

It's not on my, to try to change the way I want it to be
But still I wonder why
I can't forget you and it's making me cry, ehe ehe
Charred a million tears and a million years,
Still I'm calling, I'm falling' dooown

I'm suffering from you and now I gotta find a way to
get through
'Cause it doesn't get better no
I try to tell myself there's nothing to do, oh no,
I'm suffering from you
You know I try to make you miserable to,
But it doesn't get better no
It doesn't get better no
It doesn't get betteeeeer,

No I can't take it one more time, I can't pretend I'm
going fine
My feelings are coming back and I know, know, know,
knooow,
It doesn't get better no, yeah, yeah

And it doesn't get better, no
And now I gotta find a way to get through
'Cause it doesn't get better no
I try to tell myself there's nothing to do, oh no,

I'm suffering from you
You know I try to make you miserable to,
But it doesn't get better no
It doesn't get better no
It doesn't get betteeeeer, oha ohaaa
It doesn't get better, oha, oha

Oyeah, it doesn't get better no
