I can't remember when we use to share the same bed
You have your arms surround me
When I was afraid
No one else could make me feel the way
Like you did
Deep inside my lonely heart
Along for you
To take me home
Where we belong together
Why do you make me feel
Like I'm not here

*Chorus
Tell me why
Have I done something wrong
Tell me why
What we had, what's so strong
There's no one like you
So, what can I do
I need to know
Tell me why

Baby, do you really feel the same (ah)
I keep asking myself
Am I too late
How can something that seem so right
Turn that wrong
Baby

Deep inside my lonely
Along for you
To take me home
Where we belong
Together
Why do you make me feel
Like I'm not here

*Chorus

If you could only see
What you have done for me

Wish I could turn back time
Can't get you off my mind
ouhhhh yeah

*Chorus (2x)
