Like Chocolate on your mind, baby
Like chocolate on your mind, oh yes
Like chocolate on your mind, baby
Like chocolate on your mind
Feel me, taste me, see me
You know im sweet like candy, and candy is me
Im into you, the way you're into me
But baby don't rush, take it slow, and just imagine me
Like chocolate on your mind, baby
Like chocolate on your mind, oh yes
Like chocolate on your mind, baby
Like chocolate on your mind
Im a special woman, that you can't afford to miss
Cuz that isn't right, oh no
Im sweet your sour
And that's a nice mix,
All other girls are spicy, so just imagine me
Ohhh ohh Yes
Like chocolate on your mind, baby
Like chocolate on your mind, oh yes
Like chocolate on your mind, baby
Like chocolate on your mind
(Like chocolate)
Do do do do yah
(like chocolate)
Doo doo doo doo doo n doo
(like chocolate)
Doo doo doo n doo doo doo
(like chocolate)
Like chocolate on your mind, baby
Like chocolate on your mind, oh yes
Like chocolate on your mind, baby
Like chocolate on your mind
(like chocolate)
This is like chocolate
(like chocolate)
Yes I am just along your mind
(like chocolate)
That is what I am uh uh
Like chocolate
Like chocolate on your mind
