Dobrãidy Ākos- Emilia Side by side

Everything that you are  
Everything I wished for is right  
Here- in my arms

I look at you and I see  
That in you I found a  
New way home  
I was lost

Burning hearts  
Gentle touch  
It's the power of us  
Coming close

Everytime I close my eyes  
I can see you I can feel you  
Near me  
Side by side, still alone  
I don't wanna realize  
you and me will never be together  
Side by side,

I walk alone

If there's no you there's no me  
You're with me through  
The day and you are there,  
In my dreams

The more I learn about you  
Stronger grows the sorrow cos I know  
We will never be

Burning hearts  
Gentle touch  
It's the power of us  
coming close

Everytime I close my eyes

I can see you I can feel you  
Near me  
Side by side, still alone  
I don't wanna realize  
you and me will never be together  
Side by side,

I walk alone

Everytime I close my eyes  
I can see you I can feel you  
Near me  
Side by side, still alone  
I don't wanna realize  
you and me will never be together  
Side by side  
I walk alone  
Ohhâ€¦..

I don't wanna realize  
you and me will never be together  
Side by side  
Side by side  
Side by side

I walk alone

I walk alone

I walk alone

I walk alone
