Down deep inside I feel unsatisfied cuz
There's more of me that what your eyes can see.
It's time to change the way you look at me, boy,
Wake up your fantasy and take the best of me.

Chorus

I can be a lady, I can be a flygirl,
I can be all cool or a shy girl.
I can do the hot stuff, I can do the right thing,
Turn upside down and make your heart sing.
I can be your baby, I can drive you crazy,
I can be dead on or a lazy, I can go in full swing.
I can rock the whole wide world,
I'm your supergirl.

I'm real, I swear I'll take you anywhere cuz
I know it's true I'll give it all to you.
You're safe with me,
Love ain't no mystery, boy,
Wake up, it's time to see your destiny.

Chorus

Supergirl, all you wish I can be,
Supergirl, it's all inside of me,
Supergirl, supergirl.
