(I will lie no more)

Different ways of counting
Fingers running thru your hair
Ten to twenty or some
Thirty days and nights not there

And we do not forget
To vent the secret
So kind of you to spare
Or just to me and someone's care

So fall like the snow
Too much to slow
So fragile to say
Hanging over every day

A breeze with contempt
To shame the others
A story so thin
To cater all your lovers

(I will lie no more)

Count me out your standards
Shadows trade in competence
Ten to twenty answers
Shouting down on confidence

Too easy not to share
Of fear of loathing
So kind of you to bear
Or just a need in someone's care

So fall like the snow
Too much to slow
So fragile to say
Hanging over every day

A breeze with contempt
To shame the others
A story so thin
To call to all your lovers

(I will lie no more)
