Me without your touch
Is a kiss without the rush
Bring it on to me
Cause I know you got
The love I need

I'm not gonna run away
I'm gonna let it go
I wanna let you know
You're incredible

I'm not gonna run away
I'm gonna let it go
I wanna let you know
You're incredible

[Chorus]
If she can't (she can't)
Be the one
Then I can, (I can)
Just so you know

If she can't (she can't)
Be the one
Then I can, (I can)
Just so you know

Me without your time
Is a kump without the high
Can't get over you

It doesn't seem to matter
how hard I try

I'm not gonna run away
I'm gonna let it go
I wanna let you know
You're incredible

I'm not gonna run away
I'm gonna let it go
I wanna let you know

You're incredible

[Chorus]

If she can't (she can't)

Be the one

Then I can, (I can)

Just so you know

If she can't (she can't)

Be the one

Then I can, (I can)

Just so you know

I can love you better than she ever can

I can love you better don't you understand

[Chorus]
