I know that you're busy baby
Don't awnna keep the waiting
Just thought I'd ask you what
you're feeling tonight

Whatever you want and I'll be making
Then I'm yours for the taking
I plan to do the things I know that you like

Come inside, take your time,
just relax and unwind
I'll be there, just taking care of my baby
Love you down, fill you up
Boy I can't do enough
That's the way I'm taking care of my baby

[Chorus]
I'm such a good girl
Such a good girl
Do what I can to keep him satisfied
But I'm a bad girl
Such a bad girl
Do anything to keep him mine

Tell me what you're fantasising
What's gonna get you rising
You know I love you talking dirty to me

Corset waisted dominatrix
Whatever you desire

I'm here to satisfy you completely

Come inside, take your time,
just relax and unwind
I'll be there, just taking care of my baby
Love you down, fill you up
Boy I can't do enough
That's the way I'm taking care of my baby

[Chorus]
I'm such a good girl

Such a good girl
Do what I can to keep him satisfied
But I'm a bad girl
Such a bad girl
Do anything to keep him mine

That's how my man likes it
He works hard to play hard
To get shure I get what I want

My man likes it
Cause everything that he does
deserves more than a million

That's how he likes it
Dinner on the table
And his favourite sweet is me

He likes that I get kinky in the evening
He loves me

[Chorus]
