Lifesaver
Your timing's really strange
Catch me later
But can you please be late

And it's funny how your thoughts think they're right at
all
And it's funny how your cause makes no sense at all

Lifesaver
Let's play a little game
Catch me later
But make sure you'll be there late

And it's funny how it seems you're doing things
And it's funny how you find your peace of mind

Lifesaver
I'm cancelling our date
Lifesaver
It's time you had a break

Lifesaver
I'm cancelling our date
Lifesaver
My saver
