Hey baby how was your day?  
Mine has been a little too messy  
I've been stressing like crazy  
No time to even put on my make-up

But I hear it in your voice  
You're sounding kind of disappointed  
It's not only you who is feeling alone  
Cause I miss you too

[Pre-chorus]  
I'm so sorry that I've been away  
And I'm sorry that I couldn't star  
You knew my dreams from the start  
So tell me how did I surprise you

[Chorus]  
You set my heart on fire  
Don't you break my heart in two  
I don't ever wanna choose  
There is no me without you  
Don't you ever let go  
You set my heart on fire  
You set my heart on fire  
You set my heart on fire  
You set my heart on fire

Hey baby answer me  
Why do you always make me feel guilty?  
When you're calling me thru return call service

[Pre-chorus]  
Don't you worry together we'll never loose

And I'll hurry, just to be with you  
I'm longing for your touch  
And boy I know you want me too, yeah

[Chorus]  
You set my heart on fire  
Don't you break my heart in two  
I don't ever wanna choose

There is no me without you  
Don't you ever let go  
You set my heart on fire  
You set my heart on fire  
You set my heart on fire  
You set my heart on fire

It doesn't matter if the sky ain't blue  
It's you that I turn to  
On fire  
It doesn't matter if the sky ain't blue  
It's you that I turn to  
On fire  
I turn to, I turn to, I turn to...

[Chorus]  
You set my heart on fire  
Don't you break my heart in two  
I don't ever wanna choose  
There is no me without you  
Don't you ever let go  
You set my heart on fire  
You set my heart on fire  
You set my heart on fire  
You set my heart on fire
